- Pursuing God through prayer, individually and collectively.
- Having great music on Sundays - Spirit-led, joyful, heartfelt - and an atmosphere where people feel free to worship.
- Growing together as we study, discuss, and live by God's teachings in the Bible.

- Partnering with Christian Student Fellowship in its ministry to the campuses.
- Running church not like a meeting, not like a business, but like a family.
- Enabling people to take their passion for ministry and run with it.
- Having every person read and understand the Bible for themselves.
- Celebrating the Lord's Supper each week.
- Supporting missionary work around the world, and sending out short-term teams to help them and learn from them.

- Making New Hope the kind of place where people want to be, stay, and bring their friends.
